This Proxy Statement, the accompanying Proxy, the Company’s Annual Report on Form 10-K will first be mailed on or about April 12, 2012 to all stockholders entitled to vote at the meeting.

THE COMPANY SHALL PROVIDE WITHOUT CHARGE TO ANY STOCKHOLDER SOLICITED BY THESE PROXY SOLICITATION MATERIALS A COPY OF THE COMPANY’S ANNUAL REPORT ON FORM 10-K, TOGETHER WITH THE FINANCIAL STATEMENTS REQUIRED TO BE FILED WITH THE ANNUAL REPORT ON FORM 10-K, UPON REQUEST OF A STOCKHOLDER MADE IN WRITING TO PAIN THERAPEUTICS, INC., 7801 N CAPITAL OF TEXAS HIGHWAY, SUITE 260, AUSTIN, TEXAS, 78731, ATTENTION: INVESTOR RELATIONS.

Record Date and Share Ownership

Stockholders of record at the close of business on April 2, 2012 (which we will refer to as the “Record Date” throughout this Proxy Statement) are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. The Company has one series of common shares issued and outstanding, designated as Common Stock, \$0.001 par value per share (the “Common Stock”) and one series of undesignated Preferred Stock, \$0.001 par value per share (the “Preferred Stock”). As of the Record Date, 120,000,000 shares of Common Stock were authorized and 44,732,017 shares were issued and outstanding and 10,000,000 shares of Preferred Stock were authorized and none were issued or outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company at its principal offices (Attention: Investor Relations) a written notice of revocation or a duly executed proxy bearing a later date; or attending the meeting and voting in person.

Voting

There are differing vote requirements for the approval of the various proposals, as follows:

- Proposal One: The directors will be elected by a plurality vote of the shares of the Company’s common stock. See Proposal One — Election of Three Class III Directors — Vote Required.
- Proposals Two and Three: The ratification of the selection of Ernst & Young LLP as the independent registered public accounting firm to the Company and the non-binding advisory vote on executive

compensation will be approved if the votes cast for the proposal exceed those cast against the proposal. Abstentions will not be counted either for or against these proposals.

Solicitation of Proxies

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of the Company's Common Stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or facsimile.

Quorum; Abstentions; Broker Non-Votes

Votes cast by proxy or in person at the Annual Meeting ("Votes Cast") will be tabulated by the Inspector of Elections (the "Inspector"). The Inspector will also determine whether or not a quorum is present. Except in certain specific circumstances, the affirmative vote of a majority of shares present in person or represented by proxy at a duly held meeting at which a quorum is present is required under Delaware law for approval of proposals presented to stockholders. In general, Delaware law provides that a quorum consists of a majority of shares entitled to vote and present or represented by proxy at the meeting.

The Inspector will treat shares that are voted WITHHELD or ABSTAIN as being present and entitled to vote for purposes of determining the presence of a quorum but will not be treated as votes in favor of approving any matter submitted to the stockholders for a vote. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted:

- for the election of the nominee for director set forth herein;
- for the ratification of the selection of Ernst & Young LLP as the independent registered public accounting firm for the Company;
- to approve a non-binding advisory vote on executive compensation; and
- upon such other business as may properly come before the Annual Meeting or any adjournment thereof, but will not be voted in the election of directors other than as provided above.

If a broker indicates on the enclosed proxy or its substitute that such broker does not have discretionary authority as to certain shares to vote on a particular matter ("broker non-votes"), those shares will be considered as present with respect to establishing a quorum for the transaction of business. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

Broker non-votes with respect to proposals set forth in this Proxy Statement will not be considered "Votes Cast" and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

Deadline for Receipt of Stockholder Proposals

Stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the Company's bylaws and the rules established by the Securities and Exchange Commission (the "SEC"), under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under these

requirements, proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company's 2012 Annual Meeting of Stockholders must be received by the Company no later than December 10, 2012. A copy of the relevant bylaw provisions related to stockholder proposals is available upon written request to: 7801 N Capital of Texas Highway, Suite 260, Austin, Texas, 78731, Attention: Investor Relations.

PROPOSAL ONE
ELECTION OF THREE CLASS III DIRECTORS

Nominees

The Company's Board of Directors has six authorized directors and currently consists of six members. The Company has a classified Board of Directors, which is divided into three classes of directors whose terms expire at different times. The three classes are currently comprised of the following directors:

- Class I consists of Nadav Friedmann, Ph.D., M.D. and Michael J. O'Donnell who will serve until the 2013 Annual Meeting of Stockholders;
- Class II consists of Robert Z. Gussin, Ph.D., who will serve until the 2014 Annual Meeting of Stockholders; and
- Class III consists of Remi Barbier, Sanford R. Robertson and Patrick J. Scannon, M.D., Ph.D., who will serve until the 2012 Annual Meeting of Stockholders and who stand for re-election as Class III directors at such meeting.

At each annual meeting of stockholders, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following election and until their successors have been duly elected and qualified.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's nominees named below, who are currently directors of the Company. The nominees have consented to be named as such in the proxy statement and to continue to serve as directors if elected. If a nominee becomes unable or declines to serve as a director or if additional persons are nominated at the meeting, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of the nominees listed below if possible (or, if new nominees have been designated by the Board of Directors, in such a manner as to elect such nominees), and the specific nominees to be voted for will be determined by the proxy holders.

The nominees for Class III Director are Remi Barbier, Sanford R. Robertson and Patrick J. Scannon, M.D., Ph.D. Biographical information for the nominees can be found below in the section entitled "Directors and Executive Officers."

The Company is not aware of any reason that the nominees will be unable or will decline to serve as director. The term of office of an individual elected as director will continue until the Company's Annual Meeting of Stockholders held in 2015 or until a successor has been elected and qualified. Other than the relationships noted in the section "Employment and Severance Arrangements," there are no arrangements or understandings between any director or executive officer and any other person pursuant to which he is or was to be selected as a director or officer of the Company.

Vote Required

The directors will be elected by a plurality vote of the shares of the Company's Common Stock present or represented and entitled to vote on this matter at the meeting. Accordingly, the candidates receiving the highest number of affirmative votes of shares represented and voting on this proposal at the meeting will be elected as directors of the Company. Votes withheld from a nominee and broker non-votes will be counted for purposes of determining the presence or absence of a quorum but, because directors are elected by a plurality vote, will have no impact once a quorum is present. See "Quorum; Abstentions; Broker Non-Votes."

**THE CLASS I AND II DIRECTORS RECOMMEND THAT
STOCKHOLDERS VOTE FOR THE CLASS III NOMINEES LISTED ABOVE.**

PROPOSAL TWO

RATIFICATION OF SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012

The Board of Directors and the Audit Committee have selected Ernst & Young LLP, independent registered public accounting firm, to audit the financial statements of the Company for the fiscal year ending December 31, 2012, and recommend that the stockholders vote for ratification of such selection. Although action by stockholders is not required by law, the Board of Directors has determined that it is desirable to request approval of this selection by the stockholders. Notwithstanding the selection or ratification, the Board of Directors and the Audit Committee, in their discretion, may direct the selection of a new independent registered public accounting firm at any time during the year, if the Board of Directors and the Audit Committee determine that such a change would be in the best interest of the Company.

A representative of Ernst & Young LLP is expected to be present at the meeting and will be afforded the opportunity to make a statement if he or she desires to do so, and is also expected to be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

Principal Accountant Fees and Services

Fees for professional services provided by our independent registered public accounting firm in each of the last two fiscal years, in each of the following categories were:

Audit Related Fees	—	10,000
Tax Fees	20,000	47,950
Other Fees	—	—
	<u>\$454,275</u>	<u>\$576,479</u>

Ernst & Young LLP served as the Company's independent registered public accounting firm for the years ended December 31, 2011 and 2010. Audit fees include fees associated with the Annual Reports on Form 10-K (including fees associated with attestation pursuant to the Sarbanes-Oxley Act of 2002); the Quarterly Reports on Form 10-Q and all services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings. Audit related fees in 2010 include audit services for filings of forms S-3 and S-8. Tax fees include tax compliance services. The Company did not incur other fees in the years ended December 31, 2011 or 2010.

All auditing services and non-audit services provided to the Company by our independent registered public accounting firm are required to be pre-approved by the Audit Committee. Any pre-approval of non-audit services by Ernst & Young LLP includes making a determination that the provision of the services is compatible with maintaining the independence of Ernst & Young LLP as an independent registered public accounting firm. In addition, the Audit Committee has delegated pre-approval authority to the Chairperson of the Audit Committee, provided that the Chairperson reports any decisions to pre-approve such audit and non-audit services to the Audit Committee at its next regularly scheduled meeting. All services for audit and tax fees for the years ended December 31, 2011 and 2010 as set forth in the table above were pre-approved by the Company's Audit Committee.

PROPOSAL THREE
ADVISORY VOTE ON EXECUTIVE COMPENSATION

Our compensation programs are designed to provide long-term and currently-paid compensation and cash and non-cash compensation for our executive officers in order to align the compensation of our executive officers with our performance on a short term and long term basis. This proposal provides stockholders with the opportunity to cast an advisory vote on the Company's executive compensation practices and principles.

In 2011, our stockholders approved, in an advisory vote, the 2010 compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion.

In addition, in 2011, our stockholders recommended that the advisory vote on executive compensation be held every year. Accordingly, we have included Proposal Three for consideration at our 2012 Annual Meeting of Stockholders.

Stockholders should consider the compensation programs and their implementation included in the Compensation Discussion and Analysis, the compensation tables, and any narrative executive compensation disclosure below, and cast a non-binding vote either to endorse or not endorse our executive compensation programs through the following resolution:

“RESOLVED: That the compensation paid to the Company's named executive officers in 2011, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion is hereby approved.”

This vote is being provided pursuant to Section 14A of the Exchange Act. While the vote does not bind our Board of Directors to any particular action, the Board expects to take into account the outcome of this vote in considering future compensation programs.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS
VOTE FOR THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

Board Structure

The Board of Directors maintains a structure with the Chief Executive Officer of the Company holding the position as Chairman of the Board of Directors, and with an Audit Committee and Compensation Committee for oversight of specific areas of responsibility, discussed further below. The Company does not have a lead independent director. The Company believes that this structure is appropriate and allows for efficient and effective oversight, given the Company's relatively small size (both in terms of number of employees and in scope of operational activities directly conducted by the Company), its corporate strategy (including the use of outsourcing for certain activities) and its focus on drug research and development. The Board of Directors does

not have a specific role in risk oversight of the Company. The Chairman, President and Chief Executive Officer, the Committees of the Board and, as needed, other executive officers and employees of the Company provide the Board of Directors with information regarding the Company's risks. The Board of Directors, or the Committee with special responsibility for oversight of the area implicated by the highlighted risks, then uses this information to perform its oversight role and inform its decision making with respect to such areas of risk.

Board Qualifications and Nominations

The Board of Directors requires of itself and selects as candidates to the Board of Directors for appointment or nomination individuals of high personal and professional integrity and ability who can contribute to the Board of Directors' effectiveness in serving the interests of the Company's stockholders. In addition, the Board of Directors and director nominees are expected to have appropriate management or scientific experience that would be relevant to our current and expected future direction, a track record of accomplishment and a commitment to ethical business practices. The particular experience, qualification or skills of each member of the Board of Directors that led the Board of Directors to conclude that the individual should serve as a director are:

<u>Director</u>	<u>Key Qualifications</u>
Remi Barbier	Experience as President, Chief Executive Officer, Chairman of the Board of Directors since the inception of the Company. Helped in the growth and founding of several biotechnology companies.
Nadav Friedmann, Ph.D., M.D.	Experience as Chief Medical and Operating Officer of the Company. Additional experience as President and CEO and other executive roles at other pharmaceutical and biotechnology companies as an executive officer.
Robert Z. Gussin, Ph.D.	Experience in executive roles at J&J and as a director or as advisor to a number of academic institutions.
Michael J. O'Donnell, Esq.	Experience as a partner at Morrison & Foerster, LLP and WSGR and as counsel and advisor to numerous public and private biopharmaceutical and life sciences companies.
Sanford R. Robertson	Experience as founder and director of investment banks and funds and as a director to public companies.
Patrick J. Scannon, M.D., Ph.D.	Experience as a founder and executive of a biopharmaceutical company.

The Board of Directors evaluates all proposed director nominees and incumbent directors before nomination, including the slate of director nominees proposed by the Board of Directors to our stockholders for election and any director nominees to be elected or appointed by the Board of Directors to fill interim director vacancies on the Board of Directors. The Board of Directors utilizes its own resources to identify qualified candidates to join the Board of Directors and may, in the future, use an executive recruiting firm to assist in the identification and evaluation of such qualified candidates. For these services, an executive recruiting firm would be paid a fee. The Board of Directors determined that a Nominating Committee was not necessary, and that it was in the best interest of the Company to continue to directly oversee the activities and responsibilities that might be delegated by the Board of Directors to a Nominating Committee. All of the Company's members of the Board of Directors may participate in the consideration of director candidates. The approval of at least a majority of the independent directors on the Board of Directors is required to nominate a director candidate for a position on the Company's Board of Directors. Such independent directors are identified below in the section entitled: "Certain Relationships and Related Party Transactions — Independence of Directors."

The Board of Directors has not established a procedure for considering nominees for director nominated by the Company's stockholders. The Board of Directors believes that our Board of Directors can identify appropriate candidates to our Board of Directors. Stockholders may nominate candidates for director in accordance with the advance notice and other procedures contained in our bylaws.

Board Meetings

The Board of Directors of the Company held a total of five meetings during the fiscal year 2011. No director serving throughout fiscal year 2011 attended fewer than 80% of the aggregate of all meetings of the Board of Directors and the committees of the Board upon which such director served. Mr. Barbier, Dr. Friedmann, Mr. O'Donnell, Mr. Robertson, and Dr. Scannon attended all meetings of the Board of Directors.

We do not have formal policies regarding attendance by members of the Board of Directors at our annual meetings of stockholders, but directors are encouraged to attend annual meetings of the Company's stockholders. Two directors attended the 2011 annual meeting of stockholders.

Stockholder communications with the Board of Directors

We do not have a written policy regarding stockholder communication with the Board of Directors. However, stockholders may communicate with the Board of Directors by sending an e-mail to the Company at IR@paintrials.com or by writing to us at Pain Therapeutics, Inc., Attention: Investor Relations, 7801 N Capital of Texas Highway, Suite 260, Austin, Texas, 78731. Stockholders who would like their submissions directed to an individual member of the Board of Directors may so specify, and the communication will be forwarded, as appropriate.

Board Committees

The Board of Directors has a standing Audit Committee that oversees the accounting and financial reporting processes of the Company and audits of the financial statements of the Company, and a standing Compensation Committee. Compensation Discussion and Analysis

Our compensation programs are designed to provide long-term and currently-paid compensation and cash and non-cash compensation for our executive officers in order to align the compensation of our executive officers with our performance on a short term and long term basis. Our compensation programs reflect the following objectives:

- to attract and retain high-performing executive talent;
- to encourage corporate behavior that is consistent with our values and goals;
- to create financial incentives for superior performance;
- to balance the achievement of corporate and individual goals, whereby individual executives are rewarded for the performance of the business functions for which they are responsible in addition to our overall performance;
- to ensure that our executive compensation programs are competitive with those of regional companies in our industry, so that we can continue to attract, retain and motivate executive talent; and
- to encourage the development of a diverse executive talent pool and continuity of leadership.

These objectives include qualitative factors that strengthen our ability to meet long-term growth, such as demonstrated leadership ability, management development, ensuring compliance with laws, regulations and our policies, and anticipating and responding to changing conditions.

We do not have a set policy for allocating long-term and currently-paid compensation. Each year, our Compensation Committee determines the amount and allocation of long-term and currently-paid compensation and cash and non-cash compensation for executive officers. We believe there is no single source of data that provides the information sought by the Compensation Committee to arrive at these determinations. We rely on data from a number of sources, including a review of internally generated industry surveys; the experience and knowledge of members of the Compensation Committee, Board of Directors and senior management; and additional factors such as recent market trends and general business conditions. Survey data from prior years that we use include compensation information regarding publicly-held companies in our industry that are similar in size, breadth, stage of development or complexity to us.

While none of these sources of data are prescriptive per se, each source helps the Compensation Committee evaluate the appropriateness of total compensation for each executive at a particular point in the Company's life cycle. For example, a certain position may be highly strategic for a period of time and we believe it may therefore be desirable to pay that position closer to the level of a chief executive officer during that period of time.

To assist the Compensation Committee with its responsibilities, we provide briefing materials prepared or summarized by management. Our Chief Executive Officer participates in the collection and dissemination of survey information and interacts with the Compensation Committee in reviewing some of the elements of yearly performance and compensation of the executive management team. The Compensation Committee believes that an appropriate level of input from our Chief Executive Officer provides a necessary and valuable perspective in helping the Compensation Committee formulate its own independent views on compensation. The Compensation Committee makes all final determinations as to compensation levels for executive officers.

Elements of Executive Compensation

We focus our executive compensation program on three related but distinct elements:

- base salary,
- cash bonuses and
- stock related compensation.

We believe that compensation from one component should not offset or reduce compensation from another component.

Base Salary. We offer a base salary to attract and retain qualified executive officers. Base salaries are based on broad salary ranges that take into consideration a number of factors, including:

- an executive's job responsibilities,
- individual performance,
- our corporate performance,
- competitive market data and
- our total compensation expense.

Changes to base salary vary according to individual contributions to our success and comparisons to similar positions here and at other comparable companies.

In mid 2011, after reviewing each executive's job responsibilities, individual performance, our corporate performance, competitive market data and our total compensation expense, the salary of Mr. Barbier was increased by approximately 8% and the salaries of Dr. Friedmann, Mr. Roddy and Dr. Schoenhard were not changed.

Bonuses. Each executive officer is eligible for an annual cash bonus. We provide such bonuses to motivate executive officers to perform on behalf of general corporate goals and to perform in their areas of responsibility. We do not have a policy of prospectively establishing annual target bonuses or bonus criteria. Each individual executive officer's bonus for the prior year is determined through an evaluation of overall corporate performance with a particular focus on our progress since the prior year's bonus determination in the areas of research and development, finance and other operations. In its evaluation of performance in 2011, the Compensation Committee considered corporate development activities and the progress in preclinical development activities. As a result of this evaluation, the Compensation Committee determined the bonus payments for 2011 of \$350,000 for Mr. Barbier, \$225,000 for Dr. Friedmann, \$100,000 for Mr. Roddy and \$125,000 for Dr. Schoenhard.

In January 2011, we received \$5,000,000 in connection with a milestone under our strategic alliance with King Pharmaceuticals, Inc. and, pursuant to the Company's Milestone Compensation Program, we paid Mr. Barbier, Dr. Friedmann and Dr. Schoenhard \$250,000, \$125,000 and \$75,000, respectively.

We did not purchase or generate updated internal survey data in connection with the review of bonus compensation in 2011. We have not paid bonuses to our executive officers in 2012.

Stock Related Compensation. Stock related compensation includes both stock option grants and other types of equity awards within the terms of our 1998 Equity Incentive Plan or our 2008 Equity Incentive Plan, or "the Equity Plans".

Options.

Each executive officer is eligible for stock option grants. Such grants are intended to link executive rewards with stockholder value over time. Only our Board of Directors, acting in its sole discretion, or the Compensation Committee grants options to our executive officers. We view stock options as one of the more important components of our long-term, performance-based compensation philosophy. We provide options through initial grants at or near the date of hire and through subsequent periodic grants. Options for executive officers are granted, vest and become exercisable at such time as determined by our Board of Directors. Generally, stock

option grants are exercisable over a four year period and have an exercise price equal to the fair market value of our stock at the time of grant. Initial grants are based on ranges that take into consideration an executive's job responsibilities and competitive market data. For subsequent periodic grants, the Compensation Committee evaluates performance based on each individual's contribution to the long-term success and growth of the Company, the Company's performance based on the factors discussed above and the motivational value of additional incremental stock option grants. No stock options are granted in the absence of satisfactory performance. Stock option grants generally terminate shortly after an executive officer terminates employment. We grant periodic additional stock options:

- to reflect the individuals' ongoing contributions;
- to create an incentive to remain with us; and
- to provide a long-term incentive to achieve or exceed our financial goals.

In granting stock options in the current year, we may consider the cumulative benefit of stock options granted in prior years. We do not have a program, plan or practice to time stock option grants to our executives in coordination with the release of material nonpublic information. We have not re-priced any of our options and do not intend to re-price or otherwise adjust options in the event that fair market value of our common stock declines below an option grant price. In 2011, after review of each individual's ongoing contributions to the Company, Mr. Barbier, Dr. Friedmann, Mr. Roddy and Dr. Schoenhard received options to purchase 300,000, 150,000, 70,000 and 70,000 shares of our common stock, respectively. We have not granted any options to the named executive officers in 2012.

Other equity awards.

In 2011, the Compensation Committee established a specific goal for the senior executives under a Restricted Stock Unit Plan, or the 2011 RSUP. The purpose of the 2011 RSUP is to advance our interests by providing performance based equity compensation to:

- encourage senior executives to more closely identify with stockholders' interests;
- achieve operating and financial results consistent with our long range business plan; and
- provide a vehicle to attract and retain key executives who are responsible for growing the business.

The performance goal established under the 2011 RSUP related to maintaining cash balances within budget. In order to obtain an award under the 2011 RSUP:

- such goal must be met in 2011;
- the plan participant must be an employee in good standing at the time of the award;
- the award must be approved by our President and Chief Executive Officer; and
- the Compensation Committee must endorse whether such performance goal has been reached.

The number of shares of our common stock available to the following executive officers for achieving this performance goal under the 2010 RSUP were 25,000 for Mr. Barbier, 5,000 for Dr. Friedmann and 15,000 for Mr. Roddy. In December 2011, the Compensation Committee endorsed that performance goal under the 2011 RSUP had been reached and the common stock available to the executive officers vested.

Any personal tax obligations resulting from equity awards are the responsibility of the award recipient. We issued certain shares net of applicable individual taxes, which reduced the number of shares issued under the 2011 RSUP without reducing the amount of taxable compensation to the award recipient. As a result, 3,968 shares were returned to the pool of available shares in the 2008 Equity Incentive Plan.

Other Compensation

In 2011, we paid Mr. Roddy \$107,143 and Dr. Schoenhard \$107,143 in connection with their relocation to Austin, Texas, subject to applicable taxes.

Executive officers are eligible for other benefits in each case on generally the same basis as other employees, subject to applicable law.

Employee Medical and Welfare Benefit Plans: Our employee medical and welfare benefit plans include medical, dental, life, disability and accidental death and dismemberment insurance. We add to taxable income of each Named Executive an amount representing the premium for term life insurance.

2000 Employee Stock Purchase Plan: Our Named Executives are eligible to participate in our 2000 Employee Stock Purchase Plan, or ESPP. During 2011, Dr. Friedmann purchased 4,953 shares and Mr. Roddy purchased 5,420 shares, both pursuant to the ESPP. We may terminate the ESPP at any time.

401(k) Plan: We maintain a 401(k) Plan that is a defined contribution plan intended to qualify under Section 401(a) of the Code. We have not matched any pre-tax contributions to the 401(k) Plan.

Paid Time Off: Our executive officers do not accrue vacation benefits available to our other employees, but do receive other paid time off benefits on the same basis as other employees.

We do not offer any of our employees a pension plan, retirement plan or other forms of compensation or perquisites paid out upon retirement.

Post-Employment Obligations

We have an employment agreement with Mr. Barbier and employment offer letters with Dr. Schoenhard and Mr. Roddy that provide for payments related to termination without cause. The primary basis for selecting termination without cause for triggering payment was that such terms are deemed necessary in attracting and retaining high-performing executive talent.

For additional information on the specific terms and conditions of these employment arrangements, see the discussion in the section entitled "Employment and Severance Arrangements" of this proxy statement.

Accounting and Tax Considerations

Generally, the expense related to an option grant or award is established at the time of awards for purposes of financial reporting and recognized as appropriate over the period of time covered by the option grant or award. Our financial statements include more information regarding this accounting.

The tax deductions related to equity awards are generally determined in the future, usually at the time of exercise or sale of the underlying stock from stock options or at the time of vesting of other equity awards. These tax deductions may be more or less than the amount of the underlying expense recorded for financial reporting purposes. We cannot predict the amount of tax deductions we earn in the future, if any, because the deductions are based on the fair market value of our common stock on the date when the tax deduction is earned.

Under current U.S. tax law, publicly-held companies may be precluded from deducting certain compensation paid to an executive officer in excess of \$1.0 million in a year. The regulations exclude from this limit performance-based compensation and stock options provided certain requirements, such as stockholder approval, are satisfied. We plan to take actions, as necessary, to ensure that our stock option plans and executive annual cash bonus plans qualify for exclusion. None of our compensation in 2011 was precluded from

deductions. In addition, distributions under severance arrangements with an executive officer can only be made after six months after separation from service. We have endeavored and will continue to endeavor to structure our compensation arrangements to comply with current U.S. tax laws.

Stock Ownership Guidelines

We do not have any stock ownership guidelines, ownership goals or holding requirements. We do have an insider trading policy that establishes certain restrictions on trading windows.

As we succeed in achieving approval for and commercializing our drug candidates, we expect that we will adapt the elements of our compensation program as appropriate and may include or substitute other elements in our compensation program. Changes in the elements of our compensation program may also reflect changes in the importance of tax or accounting treatments of a particular element of our compensation program.

Results of 2011 Say on Pay Advisory Votes

In 2011, our stockholders approved, in an advisory vote, the 2010 compensation paid to the Company's named executive officers. We considered this approval in our review of our compensation programs and in providing compensation for our executive officers in 2011.

In addition, in 2011, our stockholders recommended, pursuant to the advisory vote on the frequency of our submission of executive compensation for stockholder approval, that the advisory vote on executive compensation be held every year. As a result, we currently expect to submit advisory votes for executive compensation at each annual meeting of stockholders.

Employment and Severance Arrangements

We have an employment agreement with Mr. Barbier and employment offer letters with Dr. Schoenhard and Mr. Roddy, each of which include payments related to termination of employment without cause.

Employment Agreement with Remi Barbier

The employment agreement with Mr. Barbier automatically renews for consecutive one-year terms each July unless the Company or Mr. Barbier terminates the agreement 90 days prior to the end of the then current term or otherwise at any time on sixty days' notice. The agreement entitles Mr. Barbier to serve on the Board of Directors for as long as he is our President and Chief Executive Officer. Thereafter, he will remain a member of the Board of Directors only if we terminate his employment without cause. The agreement also provides that if we terminate Mr. Barbier for reasons other than cause we must pay him his base salary for 12 months, provide him continued participation in our medical and disability plans for 12 months and continuation of insurance policies covering Mr. Barbier as of the date of termination.

Mr. Barbier's employment agreement defines "cause" as a termination for any of the following, unless cured within five business days of Mr. Barbier receiving notice of such event:

- any intentional action or failure to act that was performed in bad faith and to the detriment of the Company;
- any intentional action or failure to act in accordance with any lawful and proper direction or order of the Board of Directors;
- any willful and habitual neglect of the duties of employment assigned by the Board of Directors; and
- any felony conviction.

Under Mr. Barbier's employment agreement, a termination for reasons "other than cause" also includes a resignation by Mr. Barbier for any of the following:

- the assignment to or reduction of Mr. Barbier's duties that results in a significant diminution in Mr. Barbier's position or responsibilities;

- the substantial reduction, without good business reasons, of the facilities or perquisites (including office space and location) available to Mr. Barbier;
- a reduction of Mr. Barbier’s base compensation, other than a bonus reduction resulting from application of a bonus plan or formula consistent with prior practice;
- a material reduction in the kind or level of employee benefits available to Mr. Barbier that would result in his overall benefits package being significantly reduced;
- the relocation of Mr. Barbier to a facility more than 25 miles from the then current location;
- any termination of Mr. Barbier which is not effected for “cause,” for valid grounds or due to Mr. Barbier’s death or disability; or
- any purported termination of Mr. Barbier’s employment without meeting the term-end 90 day prior notice requirements described above.

The cost of our post-employment obligations to Mr. Barbier cannot be determined until a termination has actually occurred. However, assuming Mr. Barbier’s employment was terminated for reasons other than cause on December 31, 2011, we would have had to pay Mr. Barbier approximately \$650,000, \$16,000 and \$6,000 for base salary, medical and disability plan-related expenses and insurance policy expenses, respectively, pursuant to the employment agreement.

Offer Letters with Grant Schoenhard, Ph.D. and Peter Roddy

Under the terms of employment offer letters provided separately to Dr. Schoenhard and Mr. Roddy, we may terminate employment at any time for any reason or no reason. However, if we terminate employment without cause, a term not specifically defined in such offer letters, we must pay severance equal to the executive’s base salary until the sooner of the date that they secure employment, or the date that is three months after the date of their termination.

The cost of our post-employment obligations under these offer letters cannot be determined until a termination has actually occurred. However, assuming Dr. Schoenhard’s or Mr. Roddy’s employment was terminated without cause on December 31, 2011, and assuming further that, in either case, such individual did not secure employment within three months of such termination, we would have had to pay Dr. Schoenhard approximately \$84,000 and Mr. Roddy approximately \$75,000 pursuant to such arrangements.

Director Compensation

The following table sets forth all director compensation for 2011 for all directors who are not named executive officers.

<u>Name</u>	<u>Option Awards (\$)</u>	<u>Total (\$)</u>

Michael J. O’Donnell, Esq.	111,725	111,725
Sanford R. Robertson	152,483	152,483
Patrick J. Scannon, M.D., Ph.D.	152,483	152,483

Assumptions made in the valuation of Option Awards are described in Note 6 to the Financial Statements in our Annual Report on Form 10-K for the year ended December 31, 2011, incorporated herein by reference.

We reimburse our officers and directors for expenses incurred in attending any Board of Directors or committee meeting.

Each non-employee director who serves as a director on the date of each Annual Stockholders Meeting automatically receives an option to purchase 25,000 shares of our Common Stock. A director who first becomes a non-employee director (except those directors who become non-employee directors by ceasing to be employee directors) automatically receives an option to purchase 25,000 shares of our Common Stock on the date he or she first attends a meeting of the Board of Directors or one of its committees, provided he or she serves on our Board of Directors as of such date. All options automatically granted to non-employee directors will:

- vest as to 25% of the shares subject to the option on each anniversary of the date of grant, subject to his or her continuing to serve as a member of the Board of Directors on such date;
- be exercisable only while he or she remains a member of the Board of Directors;
- have a term of 10 years; and
- have an exercise price equal to 100% of the fair market value per share of Common Stock on the date of grant.

In September 2011, the Board of Directors granted an option to purchase 15,000 shares of Common Stock at \$5.11 per share (100% of the fair market value of the Common Stock on the date of grant) to each non-employee director then serving on a committee of the Board of Directors. These options vest as to 1/48th of the shares subject to such options each month from the date of grant, subject to each individual continuing to serve as a member of the Board of Directors on such date. These option grants have a term of 10 years.

Employee directors who meet the eligibility requirements may participate in our ESPP.

We maintain directors and officers indemnification insurance coverage. This insurance covers directors and officers individually. These policies currently run from July 13, 2011 through July 12, 2012 at a total annual cost of \$476,500. The primary carrier is U.S. Specialty Insurance Company.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The purpose of the Compensation Committee of the Board of Directors is, in part, to review and approve the compensation and benefits to be provided to the officers and directors of the Company and to administer the Company's various stock plans and the issuance of stock options and other stock-related awards not pursuant to a plan. The Compensation Committee shall also make recommendations to the Board of Directors regarding adoption or modification of all stock plans.

One of the Compensation Committee's goals is to ensure that the Company's executive compensation programs are competitive with those of regional companies in our industry. In addition, the Compensation Committee strives to enable the Company to attract and retain key people and motivate them to achieve or exceed certain key objectives of the Company by making individual compensation directly dependent on the achievement of certain corporate and individual goals, and by providing rewards for meeting or exceeding those goals.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on the review and discussion, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement.

- Provide the Board of Directors with the results of its monitoring and recommendations derived therefrom; and
- Provide to the Board of Directors such additional information and materials as it may deem necessary to make the Board aware of significant financial matters that come to its attention and that require the attention of the Board of Directors.

Management has the primary responsibility for the financial statements and the reporting process including the system of internal controls.

In fulfilling its responsibilities, the Audit Committee has:

- Reviewed and discussed the audited financial statements, including balance sheets, related statements of operations, stockholders' equity and cash flows, with management;
- Discussed with Ernst & Young LLP, the independent auditor, matters required to be discussed by the statement on Auditing Standards No. ("SAS") No. 114, *The Auditor's Communication with Those Charged with Governance*, as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T, which supersedes SAS no. 61, as amended;

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2011 for filing with the SEC. The Audit Committee and the Board of Directors have also recommended, subject to stockholder ratification, the selection of the Company's independent registered public accounting firm.

The information contained above under the captions "Report of the Compensation Committee of the Board of Directors" and "Report of the Audit Committee of the Board of Directors" shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, (the "Securities Act") or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into such filing.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish us with copies of all forms that they file pursuant to Section 16(a). Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, we believe that our executive officers and directors complied with all such applicable filing requirements during fiscal 2011.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions

There has not been nor is there currently proposed any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than fees and expenses incurred for legal services, described below, and compensation agreements and other arrangements which are described in "Employment and Severance Arrangements" and the indemnification agreements described below. In accordance with the charter of the Company's Audit Committee, the Company's policy is to require that any related party transactions be reviewed and approved by the Audit Committee.

Legal Services

During fiscal year 2011, Morrison & Foerster, LLP and WSGR provided legal services to the Company. Mr. O'Donnell, a director of the Company, is a member of Morrison & Foerster, LLP and was a member of WSGR until January 2011. We incur expenses for legal services from Morrison Foerster, LLP that vary depending upon our legal needs. We believe the legal fees paid in 2011 to Morrison Foerster, LLP and WSGR were less than 5% of each firm's total gross revenues for its last completed fiscal year.

Independence of Directors

The Board of Directors has determined that directors Robert Z. Gussin, Ph.D., Michael J. O'Donnell, Esq., Sanford R. Robinson and Patrick J. Scannon, M.D., Ph.D. are each independent as defined under the NASDAQ Stock Market LLC listing standards. In determining the independence of Mr. O'Donnell, our Board of Directors reviews our relationship with Morrison & Foerster, LLP in conjunction with the applicable independence guidelines under the applicable listing standards of the NASDAQ Stock Market LLC. The Board of Directors has also determined that each member of the Compensation Committee is independent as defined under the NASDAQ Stock Market LLC listing standards, and that each member of the Audit Committee is independent as defined under NASDAQ Stock Market LLC listing standards, as well as applicable SEC rules.

Indemnification of Directors and Officers

We have entered into indemnification agreements with each of our directors and officers, which require us to indemnify its directors and officers to the fullest extent permitted by Delaware law.
